The Home Buying Process

1

Consult with a Mortgage Broker or Specialist

Pre-qualification of the budget that can be spent on a potential new property.

2

Speak to a Realtor®

The initial buying consult will inform you of what to expect when purchasing a home and how they can advocate for you!

3

Property Search:

We will start by identifying what you're looking for in your new property. It is essential to consider what you need from a property, what you want from a property, and what would count as an absolute deal breaker.

I will conduct a market search of available properties that match your desired criteria and price range.

4

Preparing and Negotiating an Offer to Purchase:

When we find a suitable property, you will likely want to put in an offer to purchase as soon as possible.

I will help you make the most competitive offer possible by reviewing comparables, and searching for any potential issues.

5

Acceptance of Your Offer and Closing the Sale:

At the time of an accepted offer, I will ensure essential paperwork and documentation will be completed and conveyed to multiple parties. If there are any conditions on the offer to purchase, they will need to be satisfied before the sale can close. You may also be required to provide a deposit on your offer.

6

Closing Day Final Steps:

The vendor's lawyer will be responsible for formally signing over the title deed and paying out all respective parties for the proceeds and commissions of the sale. Once finalized, the full payment and keys will be released.

Remember:

Your Realtor is here for you throughout the entire process! Ask any questions you may have!

THIS IS REQUIRED UPON THE COMPLETION OF A REAL ESTATE TRANSACTION AND RECOMMENDATIONS FOR HIGH RATED LAWYERS CAN BE PROVIDED.

PROFESSIONAL CONDO DOC REVIEW

AS PART OF THE PURCHASE CONTRACT IN A CONDO PROPERTY, CONDO DOCUMENTS WILL BE PROVIDED, I ADVISE THEM TO BE REVIEWED BY A PROFESSIONAL AS THEY INCLUDE FINANCIALS, MINUTES AND RESERVE FUND INFO THAT CAN BE IMPORTANT TO YOUR NEW HOME.

CLIENT

TESTIMONIALS

KEELAN M

"Brittney was very good! We had a realtor before her that did nothing compared to her. She was very understanding and very patient. I would send her so many properties to her and she would look at them all and give me information on them. She was honest with us and was able to give us all the options we needed. She went above and beyond with me and my fiancée to find us our dream home. If you're looking for a professional, hard working, and funny realtor that you can easily get along with I would recommend Brittney!"

KAITLIN H

"Working with Brittney was the best experience, we asked her to help us find out forever home and sell our condo. The process was seamless and quicker than expected. She involved us in every decision and made sure we knew the next steps! We would highly recommend her to anyone looking to buy or sell their home! She is knowledgeable and very easy to communicate with!"

JORDAN W

"Brittney is a rockstar of a realtor! Brittney operates with honesty, initiative and dedication through and through. I've worked with a handful of realtors and Brittney was definitely a favourite! After letting her know the types of properties I'd be interested in, she kept a proactive eye on the daily MLS listings and was sure to inform me of potentials within HOURS of them going live - talk about key in this hot market! Her impressive negotiation skills landed me a great price on not one, but two properties this month! The gift basket and condo docs were a huge bonus too! Thankful for you Brittney! I know your future in this industry is so bright!"

VINCE T

"I was a first time home buyer and didn't know a lot about the buying process. Brittney answered any questions I had and went through everything about the process of buying a new place and what to expect. She always kept me up to date on new postings and scheduled viewings very quickly. If I had any questions about the condo board she made sure to find those answers for me. I am very happy with the condo I bought and I would recommend Brittney to anybody looking to buy a new place. I would not hesitate to have Brittney as my real estate agent again."

PARIS F

"5 stars aren't enough for how great Brittney is. She will show you every property, advocate, and negotiate until she finds you your dream home, and she always has her clients' wishes at the front of her mind. Don't call your "favourite realtor", call Brittney."
